TRUMPET

Title	Author	Publisher	Notes
Louis Armstrong - Master of Modernism	Thomas Brothers	Norton and Co	Very good not his early life but from when he was 21 when he went to Chicago for King Oliver Band until his death
Miles The Autobiography	Miles Davis wioth Qunicy Troupe	Picador	Brilliant!
Sound the Trumpet - The John Wilbraham Method	Metthew Booth	Stainer and Bell	Mr Wlbrahams approach to trumpet technique very accurately written by Matthew Booth almost as if John was in the room although written after his death. Lots of sensible solid advice.
Teach the Trumpet Vol 1 and 2	Terry Catherine	Stainer and Bell	Not sure what to make of these, nice little tunes, exercises with advice but not enough meat on the bone on teaching technques. Vol 2 ends on achieving G above the stave.
To A Young Trumpet Player - Letters fromm the Road	Wynton Marsalis	Random House	Fabulous little book full of trumpet musings and tips and advice from the great man - full of gems to be remembered
The Rough Guide to the Trumpet	Hugo Pinksterboer	Rough Guides	Exactly what it states on the tin, guide to all the very basics of trumpet, from finding a teacher, buying a trumpet, which mutes are called what you get the idea, ok as a starter pupil trumpet guide.
The Trumpet and Trombone	Philip Bake	Ernest Benn	First printed in 1966 and not available now only second hand classic trumpet history development and construction book
The Trumpet	John Wallace Alex McGratten	Yale Instrument Series	Story of the trumpet from prehistoric to present day
The Trumpet: Its Practice and Performance	Howard Snell	New Generation Publiocations	
Trumpet	Cripsian Steel-Perkins	Kahn-Avrill	Part of the Yehudi Menuhin Music Guides. One of the few that starts with chapters on historical instruments and playing as you might expect from CSP but plenty on modern trumpet playing as well
Trumpet Technique	Delbert Dale	Oxford	Lovely little pocket size book I found uself as a teenager with all the basics in there, probably pit of print but maybe on ebay etc,
